14 Disclaimer of Liability

Athletes are entirely responsible for their own safety, whether afloat or ashore, and nothing reduces this responsibility (see RRS 4, Decision to Race). It is for athletes to decide whether their boat is fit to sail in the conditions in which it will find itself. By launching or going to sea athletes confirm the boat is fit for those conditions and they are competent to sail and compete in them. Nothing done by the organizers can reduce the responsibility of the owners and/or athletes, nor will it make the organizers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organizers encompass everyone helping to run the event. The provision of patrol boats does not relieve owners and athletes of their responsibilities.

15 Insurance

16 Radio Communications

16.1 All boats must carry a marine band VHF radio capable of receiving normal international channels.
